Area of operation of Public Sector Units

@@3004. F. SHRI N. E. BALRAM: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that in one of the series of meetings with the Finance Minister in September, 1985 several trade union leaders suggested to him that the area of operation of public sector units should be expanded to cover items of mass consumption;

(b) whether it is also a fact that trade union representatives felt that employment potential and generation of greater productivity in the public sector could be achieved only through labour participation in the process of decision-making and its implementation; and

(c) if so, what is the reaction of the Government on the above points/suggestions and action being taken to introduce participation of workers in the process of decision-making and its implementation as a 'compulsory' one by way of some 'Enactment' in the near future, if any?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARI): (a) to (c) A meeting with some trade union leaders was held in order to get their views on the formulation of long term fiscal policy on 19th September, 1985. During the discussions several suggestions were made by the trade union leaders on various aspects of the economy, including the operations of public sector units and workers' participation in decision-making.

Public sector is already engaged in the production of several mass consumption items e.g. textiles, watches, drugs, vanaspati, edible oils etc. The matter relating to "Workers' participation in management and the ques-
